EM/ac/Summer School 2017

26 September 2017

Dear Colleagues

Re: INVITATION TO ATTEND THE LSZ SUMMER SCHOOL TO BE HELD IN NYANGA TROUTBECK FROM THE 9 TO 12 NOVEMBER 2017

I am delighted to announce the 2017 Summer School to be held from the **9th to the 12th of November 2017** at our usual rendezvous, the Troutbeck Inn. The hotel has added a number of facilities and social activities in order to make our stay unique and comfortable.

Once more the Summer School will bring together the whole legal community of corporate counsels, private practice lawyers, academic and lawyers in government to discuss how the profession can best meet the challenges it faces both in terms of innovation and its evolving role in business, government and society.

The Summer School continues to mature and remain one of the legal profession's strongest and solid platforms for networking, interrogating topical national issues and engaging in much needed social intercourse. Thus the theme of this year's school is "**Time to Restructure: Transforming the legal profession into the future**". You will reckon that this is a follow up discussion from the Winter School wherein the focus was on identifying the strategies to remain relevant as a profession. Now it is the time to focus on how to drive innovation and restructuring for sustainable growth.

Ample time will be provided for both structured and unstructured networking. In terms of accommodation, all necessary arrangements have been made to reserve adequate accommodation and this year we have gone

Incorporated in terms of the Legal Practitioners Act Cap 27:07

a step further to look for budget accommodation around the Troutbeck area. The details can be obtained on our website. However, accommodation at the venue, as usual will be offered on the first come first served basis due to overwhelming demand. As usual a complimentary coach will be available from Harare to Nyanga for those who require the service. The coach will also provide shuttle services from Montclair to Troutbeck at scheduled times.

A lot of sporting and social activities for delegates have been lined up for spouses and children for those who may wish to attend with their families. I also happy to announce that this year we are bringing the music superstar, none other than **Dr. Oliver Tuku Mtukudzi**, thus the School is a no miss. Let's come out in our numbers to support this event and make it a success.
