Dear Member

**Re: WINTER SCHOOL NOTICE (19-22 JULY 2018) ELEPHANT HILLS HOTEL, VICTORIA FALLS.**

I am delighted to announce our annual get away to the Western part of our country. This annual get-together brings together our global community of corporate counsel, government lawyers, private practice lawyers and academics to discuss how the profession can best meet the challenges it faces, both in terms of innovation and in its evolving role in business and society. The details of the programme will follow shortly.

You will agree that, Winter School is a distinctive moment with a programme of innovative and unique educational, social, and networking events. This year it has been designed to ensure that all those who attend the School will have an opportunity to conduct business, meet colleagues, exchange experiences, renew, and build friendships that will continue long after the School closes. It is indeed about **learning new skills**. And it is about learning **concrete examples from fellow colleagues**.

You will get **inspired, challenged**, some **laughs** and **specific advice** you can apply towards staying a head of the game in the legal industry. Best of all: You get to **network** with legal innovators as yourself. Thus if you're somewhere else on the 19<sup>th</sup> July, you are at the wrong place.

Please find below the costs for attending exclusive of transport. Members are expected to make own their transport arrangements. Despite the recent spike in prices of accommodation in Victoria Falls, we have maintained the same rates as last year.
