Dear Member

**Re: SUMMER SCHOOL NOTICE (8-11 NOVEMBER 2018) TROUTBECK HOTEL, NYANGA.**

I am delighted to announce our annual get away to the Eastern part of our country for our flagship event, the Summer School. This is the annual potpourri of legal brains; government lawyers, private practice lawyers, academics and political lawyers to discuss how the profession can best meet the challenges it faces, both in terms of innovation and in its evolving role in business and society. The details of the programme will follow shortly.

The Summer School remains a distinctive event with a programme of innovative and unique educational, social, and networking events. This year it has been designed to ensure that all those who attend the School will have an opportunity to conduct business, meet colleagues, exchange experiences, renew, and build friendships that will continue long after the School closes. It is indeed about **learning new skills**. And it is also about learning **concrete examples from fellow colleagues**. The School will create lasting impressions for you.

A spousal programme is also on the cards.

You will get **inspired, challenged**, get some **laughs** and **specific advice** you can apply towards staying ahead of the game in the legal industry. Best of all: You get to **network** with like minds. Please find below the costs for attending exclusive of transport.
